

SCHOOL DAYS STARTED TUES.

ENROLLMENT FIRST WEEK
1,200—TRAINING SCHOOL
WHEN OPENED WILL IN-
CREASE NUMBER.

Tuesday morning the bells in the city schools sent out their clarion notes, reminding all school children that the summer vacation was at an end and it was time to unpack the school books and get ready for the new school year. To the number of 1,205 responded, divided as follows: Central grades, 259; Woodruff, 231; Prospect, 133; junior high, 180; senior high, 402.

The training school, which opens later, will swell this number to a considerable extent.

Ypsilanti is to be congratulated on its schools. There are none better in the state. With its fine equipment, modern buildings and its excellent corps of teachers, a reputation has been made that brings a large number of foreign pupils here. We are proud of our schools, proud of the record they have made in the past and confident that they will surpass all records in the future.

LOCAL MEN RETURN FROM CAMP NEWTON.

J. E. Beal, W. W. Wadhams, George W. Miller, Henry Platt, Phil Schumacher, L. L. James, Robert James, George Burke and W. Wheeler returned last week from a camping trip in the upper peninsula at Camp Newton.

MRS. CHRISTINA MEYERS DIES FRIDAY

Mrs. Christina Meyers, of Ann Arbor, widow of the late Simon Meyers, died Friday evening after a lingering illness at her home on West Huron street. She was 78 years old and had been a resident of Ann Arbor all her life. She is survived by three sons. Funeral services were held from the residence at 3 p. m. Sunday.

EDWARD MILLIS MARRIED.

Rowland Millis has been visiting Mr. and Mrs. Elroy Briggs for a week and went Saturday to Detroit to attend the wedding of his brother, Edward Millis, who married Miss Grace Haack. Miss Haack taught in the Woodruff school here a few years ago. Rowland accompanied his mother, Mrs. Mary Millis, home to Traverse City. Mrs. Millis teaches in the city schools at Traverse City.

ANN ARBOR SCOUTS TAKE 150-MILE TRIP.

Troop No. 7 of the Boy Scouts of Ann Arbor left Tuesday morning for a 150-mile bicycle trip. The troop planned to make stops at Chelsea, Michigan Center, Jackson, Leslie, Mason and Lansing. They expect to return to Ann Arbor some time Friday. They expect to be met in both Jackson and Lansing by the Boy Scouts of those cities and shown the sights.

DIES AT HOME OF HIS DAUGHTER.

James Weeks died Monday at the home of his daughter, Mrs. Edward Nickle, at Devil's Lake, N. D., aged 83 years. Mr. Weeks had been in poor health for some time and left Ypsilanti about 14 months ago, after the death of his wife, to make his home in the west. The body will be brought here for burial at Highland cemetery.

RECEIVE SHIPMENT OF BLACK BASS.

Friday a consignment of black bass was received by the Ypsilanti Gun and Rod club and they were placed in Frain's lake. Arthur Sullivan and W. A. Van Wegen saw to it that they were taken out to the lake on record time and properly placed. It was a fine lot of about two inches in size and every one a healthy fish. This club proposed to stock the nearby lakes and see to it that the laws are observed and try in every way to promote this popular sport.

WARREN LEWIS, AUCTIONEER

Statement.
I am instructed to sell the new Martin block and office block and all land in rear goes with it, on Sept. 17, at 1:30 p. m., Michigan avenue, Ypsilanti, Mich. Sale made in a thorough businesslike way in a wide open public auction. No favor to anyone. The property is all free and clear—clear title, taxes paid. It's a case of who gives the high dollar. Remember, the Martin block, ideal location, drawing nice rental. It's a regular monthly dividend payer. All going for the high dollar Sept. 17, 1921. Warren Lewis, the reliable real estate auctioneer, will conduct the big sale. Look the property over. Be your own mind and judge.—Adv.

The Record job rooms are equipped to give quick service. Try us on that next job.—Adv.

Pin tags and labels at The Record office.—Adv.

PURCHASE THE RELIABLE GARAGE.

George Hepner and Murray Gibson have purchased the Reliable garage of Charles Cole, who has been operating it since last May. The new proprietors will do general work but will not take over the Dort sales.

BRONSON R. WALPOLE LEAVES FOR M. A. C.

Bronson R. Walpole, of this city, left Thursday for Lansing, where he will take up his new duties as an instructor in agricultural education at M. A. C. In addition he will supervise practice teaching and assist the state supervisor, having offices at the capitol and at the college.

Prof. Walpole began teaching in this city in 1915 at the Central high school, instructing in agriculture, zoology and botany. He also coached the baseball teams of the school. Several years ago his team was the only one to score on the Detroit Central team during the season that the latter was national champion. Prof. Walpole also coached he baseball teams of the school and conducted debating teams. Teams of his students won many victories in stock judging contests, both in this state and in Chicago.

For the past year and a half Mr. Walpole has been on the executive board of the State Farm Bureau and has lectured at many agricultural meetings throughout the state. Mr. Walpole and family will live at 126 Orchard street, Lansing.

POST OFFICE FORCE PICNIC PROSPECT PARK

The postoffice force and their families celebrated Labor day with a picnic at Prospect park. A bountiful dinner was served at noon to about 60 persons and consisted of frankfurts, scalloped potatoes, cabbage salad, sandwiches, pickles, coffee, cake and ice cream.

After dinner a ball game between the married men and the single men on the force resulted in a score of 28 to 12 in favor of the married men. Postmaster John McCann acted as umpire. The women played, assisted by a number of the boys, and put up a score of 10 to 12. They also made a good showing pitching quoits. Equal suffrage for women has evidently improved her throwing powers.

This is the third picnic held by the postoffice force this summer. It is planned to make the Labor day celebration a permanent affair.

MARRIED AT BAPTIST PAR- SONAGE.

Mr. Burton Masters and Mrs. Olive Cressy Howe, both of Ypsilanti, were united in marriage at the Baptist parsonage on Thursday evening, Sept. 1. They are at home to friends at No. 31 Water street.

HOLD INSTITUTE AT SALINE.

The first of the annual one-day institutes for teachers of Washtenaw county was held at Saline high school Wednesday last. The others were held in the following schools: Manchester high school, Thursday; Chelsea high school, Friday; Ann Arbor courthouse, Saturday, Sept. 3.

Prof. R. Clyde Ford and Prof. J. M. Hoover assisted Evan Essery, school commissioner, in conducting the institution.

LOWER GAS RATES IN ANN ARBOR.

Ann Arbor will have lower gas rates, starting Oct. 1, when the Washtenaw Gas company, under its profit sharing plan, will make a cut of 20 per cent per thousand feet of gas. Cheaper coal and more efficient force have helped to make the reduction possible, according to the manager, H. W. Douglass.

GUN STOPS MELON THIEVES.

Steve Duszynski and Ed. Konieczny, aged 16 and 18 years, of Detroit, were arrested Sept. 1 by Charles O. Blashfield, who found them in his melon patch. He got his shotgun out and blazed away at the intruders, and when they stopped he loaded five in his truck and brought them to police headquarters. Chief Connors released the three younger ones after questioning the quintet. They tried Steve and Ed. on Friday before Justice Stadtmiller and found them guilty. They were fined \$10 and \$5.95 costs each or 10 days in jail. They were committed to jail.

There were 12 births and 12 deaths in Ypsilanti during the month of August.

NEW SPEED LAWS FOR MICHIGAN MOTORISTS

The new speed law that went into effect on August 18 permits all drivers to travel at the following rates of speed:

Thirty-five miles per hour on all highways outside the corporate limits of cities, towns and villages. Fifteen miles per hour in business districts of cities, towns and villages. Twenty miles per hour in residence districts of cities, towns and villages.

The motorist is warned to exercise all due caution and vigilance and to consider the rights of others using the highways, as it is harder to avoid accidents while traveling greater speeds than were allowable formerly.

GAS PIPE BURSTS AT YPSI PURE ICE CO.

The main gas ammonia pipe to the condenser at the Ypsilanti ice factory burst Saturday evening and gas spread over the entire block. Mrs. Alford, who lives in the next apartment, was overcome by the gas and was unconscious for nearly two hours. The fumes escaped through the open door at the back of the ice plant and were blown by the wind into the open windows of the apartment. Mrs. Alford came down stairs and on opening the door received the full force of the gas. Her husband and child escaped without being overcome.

M. E. Parquette, manager of the plant, inhaled some of the gas but managed to stop the leak in the gasket. Chief Connors entered the plant and inhaled so much of the gas that he was ill Sunday and Monday.

It is not known why the gasket broke, as the pressure was normal and there is no reason why the accident should have happened. Mrs. Alford is much better today.

LOCAL GIRLS WIN AT CAMP ARBUTUS

Camp Arbutus, a popular Michigan camp, was visited by many Ypsilanti girls this year. It is the first year that the camp has taken in younger girls and two local girls won honors for being the best campers.

Julia Quirk won first place and Margaret Bennett second place for being the best campers. They won in competition against the whole camp.

Among those who were at the camp are: Prof. W. P. Wilbur and family, Rev. Harvey Colburn and family, Prof. F. R. Gorton and family, Merland Kopka, Don Wheeler, Amy Hopkins, Mrs. Knapp, Fern Emery, W. H. Latham and W. B. Hatch and family.

ROTARIANS TAKE GAME FROM KIWANIS CLUB

The Rotarians and Kiwanians met on the diamond at the Normal field last Thursday afternoon and the Kiwanians went down to defeat by a score of 15 to 11. Captain Dan South of the Rotarians made his boasts that he would make Maurice Day and his aggregation of ball players look like novices; now when Dan meets one of the boys he is there with the smile and that "I told you so" stuff. Every player on the team showed careful training and worked throughout the game like veterans. Cobb has nothing on Dan when it comes to bringing out a ball team. He is some fielder and as a player-captain had it all over Day, who occupied the bench and tired himself all out slamming Dan all through the play.

Quay Byers pitched for the Rotarians and held the mound down through the nine innings, pitching good ball. Ben Thompson went in for the Kiwanians and was getting better when for some unknown reason he was yanked out and two other pitchers were tried out; but it was no use, Dan's boys were there with the stick. Some thought that if Thompson had been left in the game might have resulted different. Oh, well, what's the difference, the game is over and we can now all settle down again and wait for the next thing to turn up.

FATHER AND SON.

J. E. Mathews has added to his repair shop on South Huron street welding and radiator repairing. His son has gone in with him and the new firm will be J. E. Mathews & Son.

Attend the dance at the Palace roller rink Saturday evening. Good music and the best dance floor in the city.—Adv.

THIEVES BREAK INTO ANN ARBOR STORE

Thieves broke into the Sugden drug store at 302 South State street, Ann Arbor, Labor day. Between \$125 and \$150 was taken from the cash register. Nothing else appeared to be missing.

The robbery was committed some time between the closing hours of the store Monday afternoon from 4:30 to 5:30, for the robbery was not discovered until 5:30, when the basement door was found open.

It is thought that the burglar entered through the front door and made his exit through the basement door. He was evidently in a hurry, for he did not bother to take the small change in the till. Police have not found any clues.

COUNTY INSTITUTES WELL ATTENDED

The Washtenaw county school institutes conducted by Evan Essery throughout the county last week were well attended. Many suggestions were made to the teachers, among them one to take up the matter of trying to preserve the good roads markers and to endeavor to see that automobile tourists did not leave their lunch boxes and papers on the highways, by taking up the matter with the children. An effort will be made to form a club in which all children will pledge themselves to carry out the ideas presented along this line.

Prof. Hoover of the department of agriculture of the Normal college told the teachers why agriculture should be taught in the schools, and gave them a vision of what they would be able to do if they should take into account the agricultural interests of the school districts, township and county. Among those in attendance were Guy Ableson and Irene Wilbur.

LEGAL PAPER OF PRE- REVOLUTIONARY DAYS

Mr. B. G. Moorman brought into The Record office Wednesday an old paper found in his home and thought to have been part of some old papers belonging to his mother. It is an agreement between three men, David Harvey, yeoman, and John Sawyer, clocksmith, and Nathan Hale, in the year 1761.

According to the paper, which is of thick, heavy, unfinished material, and well preserved, the first two men borrowed from Nathan Hale in that year 240 ounces of "silver troy weight of sterling alloy," agreeing to pay for it with all lawful interest and binding their heirs, executors or administrators if they should fail in payment.

The legal wording is much the same as that of today, but the spelling is different although legible. It was written in Almsbury, in the county of Essex, in the province of Massachusetts, in New England, to Nathan Hale, of Newbury, in the county and province aforesaid. The above Nathan Hale is undoubtedly the patriot who was hung by the British during the Revolutionary war. King George Third of Great Britain, France, Ireland, etc., is mentioned as the ruling monarch.

The paper is dated the sixteenth day of February, 1761, and is therefore 160 years old. On the margin is a notation: "Property of David Harvey. Date 1762, 114 years old." David Harvey is undoubtedly a descendant of the David Harvey whose signature is on the paper with that of Joseph March as witness and Nathan Hale.

On the back of the paper is the record of all the payments of principal and interest by the debtors to Nathan Hale. It extends from Feb. 19, 1562, to June 1, 1785, 23 years taken to pay the debt. Hale was paid in a variety of things from English money before the Revolutionary war to American paper dollars during the war, and also turkeys, pork, wheat, meat, corn and eggs.

The writing on the document is small and legible. The printing is in bold faced type much the same as is used today. The letter "s" is formed exactly like the letter "f" and the spelling is quaint and peculiar.

FOOTBALL SEASON BEGINS SOON.

Ann Arbor high school's 1921 football season got under way Tuesday afternoon when about 30 candidates reported to Coach D. D. Lawler, a graduate of M. S. N. C., for the initial practice of the season.

MANY YPSILANTIANS TEACHING IN STATE

Among Ypsilanti Normal graduates who are teaching throughout the state are: Donald Drake, who is teaching physical education at Birmingham, and Mrs. Donald Drake at Hamtramck; Mrs. Marie Stein-Smith at Detroit; Margaret Brooks at Detroit; Bertha Parsons at Royal Oak; Marion Smith and Frances Thompson at Northville; Mildred Van Wegen at Dowagiac; Hazel Alban at Plymouth; Irene Burno at Detroit; Mary Allen Starkweather at Detroit; Mabel Burrell Spencer at Detroit; Helen Howlett at Detroit; Hattie Smith at Waterloo; Ruth and Althea Williamson at Detroit; Ida Ford, Lucile Maxwell, Zelma and Bernice Berno, Margaret and Mildred O'Brien, Bessie Baxter, Florence Swain, Kate Cain, Leah Spencer, LaVerne Ross, May Creech, Irma Hand, Caroline Hubbard, Lucile Newton, Mary Newton, Gladys Cook, Evangeline Lewis, Isca McClaughry, Gertrude Perry, Mary Barton, Marion Davis, Myrtle Rogers, Ethel Watling, Edith and Lena Show, Moneta Braun, Katherine Switzer, Doris Bell, Jewel Campbell, Inez and Helen DePew.

YPSI INDEPENDENTS WIN FROM AUTOMEN

The Ypsilanti Independents won their game Sunday from the Detroit Auto Workers in an easy fashion. Reynolds held the Auto Workers down while the Independents proceeded to score and the result was a score of 8-0 in favor of the locals. The Detroiters seemed unable to turn any of Reynolds' deliveries into hits. They found the ball but could do no more than knock pop flies and slow rollers, which were easily handled by the Ypsilantians. Crane started the Independents scoring in the second frame when he hit right field into the line of car, which counts as a two-bagger. He scored on Towler's single and Towler and Williams scored on Haggerty's single. This ended the second inning and the Independents did not score again until the sixth, when two came in on another single by Towler, who was in turn sent home by Reynolds. "Helenburg" came in on Williams' out and Reynolds sent Towler home with a double to center field.

There were two games scheduled for Sunday afternoon, but the Auto Workers had auto trouble en route to Ypsilanti and did not arrive until 3 o'clock. The batteries for the Detroiters; Stude, Cherry, Walker, Kubert; for the locals, Reynolds and Williams.

Next Sunday the Ray Battery will play the American Oils of Jackson at Recreation park.

FORMER NORMAL GRADUATE DIES.

F. W. Munson was buried Monday at Howell. He was a Normal graduate and was noted for his success as a teacher and for his development of Holstein cattle. He came to Michigan in 1851 with his parents and settled in Fowlerville. In 1858 he married Rebecca Lake, also a Normal graduate.

OAKWOOD RESIDENTS TAKE LABOR DAY TO REPAIR ROAD.

The residents of Oakwood avenue came out in force Labor day and with their rakes and hoes and shovels turned Oakwood avenue from a sore trial to an autoist into a fairly presentable road. Oakwood has been the cause of much discussion for some time, as the city authorities did not seem to deem it the right time for repairs. Several carloads of gravel were dumped on the road last week without much effort at smoothing it down. This is what brought the Oakwoodians out on Labor day.

K. OF P. OPENS SEPT. 12.

The Queen City lodge No. 167, K. of P., will open for the fall and winter season next Monday evening, Sept. 12. The lodge will put on a big feed at 6:30 and will have a 50-piece orchestra.

COUNCIL SESSION TUESDAY NIGHT

SEVERAL SIDEWALKS OR-
DERED BUILT—AUTHORIZE
LOAN OF \$3,000 FOR GAS
DEPARTMENT.

The city council met on Tuesday evening, Monday being Labor day, with seven aldermen present. At the meeting it was decided to construct a sewer on East Cross street 200 feet east of the intersection of Miles street. Sidewalks were also ordered built on River street, Wallace boulevard, Babbitt street, Sherman street and Maple street. It was decided to lay over the petition for curbing Sherman street as the city is considering a uniform plan to govern city sewers. Sewers were ordered measured and assessed on St. Johns street, Congress street and Upper Ellis street.

The business committee of the Board of Commerce asked by petition that North Huron street from Michigan to Pearl and Michigan avenue from Washington to Adams be closed from 6 to 11 o'clock p. m. Sept. 28 and 29, the dates set for the autumn festival. This petition was granted. Another petition from the Board of Commerce was read asking that the industrial committee meet with the board relative to a site for a new industry that might locate here.

On third reading the newsboys' ordinance was adopted. It was ordered by the council to zone the business sections of the streets, work to start at once under the direction of Superintendent Older.

A committee was appointed to confer with hospital committee in regard to a free bed to take care of accidents happening in the city. Chief Connors explained that as it was now it was sometimes difficult to take care of these cases and get conveyances to take them to Ann Arbor.

It was stated by the commissioner of public works that it would cost \$900 to build gas main on South Huron street. The council authorized the city clerk to notify the property owners along this street.

The council deemed it not favorable to build sewer on Mause street. Manager Older reported that it would cost between \$1,500 and \$2,000 to build same.

Sums of money in amounts of \$119.50 were turned in by Justice Stadtmiller; \$48 by Market Master Scott; \$15 by Chief of Police Connors.

The council ordered the garage bill paid on a car that was damaged by running into a hole that was being repaired on Michigan avenue. A claim was handed in for \$68 by the owner of the car.

Manager Older stated that the state game warden objected to the way a fish chute was built and advised no action be taken as he considered the chute practical and all right.

Alderman Max suggested that arrows be placed on intersections of Washington and Michigan pointing the way to Detroit, Toledo, Saline and Milan.

The council authorized a loan of \$3,000, to run six months, for the gas department.

There were several other items of minor importance passed.

WIEDMAN AUTO CO. ANNOUNCE NEW PRICES

The E. G. Wiedman Auto company announces the new cut in Ford autos and trucks. The new price is now in effect and you can purchase chassis at \$295, runabouts at \$325, touring cars at \$355, trucks at \$445, coupes at \$595, sedans at \$660. This is the third Ford cut in the past 12 months. One year ago the price of the sedan was \$995. The present prices are the lowest that Ford cars and trucks have ever been sold.

During the month of August the Ford factory broke all previous records in car and truck building, turning out 117,696, making the fourth consecutive month in which the output of this factory has gone over the 100,000 mark, making the grand total for the month of 463,074.

The E. G. Wiedman Auto company has one of the finest equipped sales rooms and garages in the state and carries a complete line of Ford parts, the full line of cars and trucks, and while we all know of the Ford plant at Detroit, we know the Wiedman Auto company better.

FRANK WENCEL TO HAVE SALE OF STOCK.

Chas. Thompson, auctioneer, will sell at auction one mile north of Denton on Thursday, Sept. 15, at 1 o'clock, six Holstein cows and heifers and 13 pigs, one being a full-blooded Poland China brood sow. He will also sell chickens, grain and many farm articles.

Mr. and Mrs. C. J. Clippert, of Detroit, were in the city over Monday with Mrs. J. P. Kirk.

Mr. and Mrs. John Hewens and daughters called on the former's parents, Mr. and Mrs. Jesse Hewens, last Sunday.

A miscellaneous shower was given for Mr. and Mrs. James K. Knott last Monday evening at the home of Mr. and Mrs. James Potter, brother of the bride. About 80 were present and a very delightful time was had by all. A program was listened to and ice cream and cake was served. They received many useful presents.

STATE OFFICIAL SUGGESTS SPECIAL LICENSE FOR CARELESS DRIVERS.

A blazing yellow license plate, with the words "Careless" and "Reckless" in large green letters, to be carried on the front of the car by every automobile driver who has abused his privileges and endangered public safety, is the penalty suggested by Dr. Wm. J. V. Deacon, of the Michigan department of health, as a means of cutting down the number of auto accidents and deaths.

One hundred and seventy-six deaths, of which 63 were children under 15 years of age, were caused by automobiles during the first six months of 1921, reports of the division of vital statistics show. Of this number 127 were males and 49 females, 60 of the deaths occurring in Detroit and 116 throughout the state.

"Each succeeding year sees an increase in the mortality rate from automobile accidents and injuries," says Dr. Deacon, "and each year it becomes increasingly dangerous for children to walk along the streets. Traffic regulations will in time improve and prevent many accidents, but what is most needed now is some adequate punishment for the careless and reckless driver who

takes the chance of crippling a life to save a minute.

"Fines are not sufficient. A state law compelling drivers who have been judged careless and reckless to carry for a period set at the discretion of the court—some sort of a special license which would label them to the public as careless or dangerous, would be more likely to get results. Public sentiment would then make careless driving unsafe for the careless driver."

BIRTHS.

A son was born Saturday, Sept. 3, to Mr. and Mrs. Roy Bird at Beyer hospital.

A son, John Harold, was born Monday, August 22, to Rev. and Mrs. John McComb, of Ashley, Ohio. Both parents made many friends during the evangelistic campaign here in the spring.

Mr. and Mrs. W. T. Isbell, of Herculaneum, Mo., are the parents of a daughter, Helen Dorothy, born Thursday, August 25, at the home of Mrs. Isbell's parents, Mr. and Mrs. Fred Gotts, of Harriet street.

PERSONALS

Miss Matie Terns, of Detroit, was in the city Monday with friends. Miss Elizabeth Burkheiser has returned to her school work at Gary, Ind.

Miss Mildred Horn is visiting relatives at Plymouth and Belleville this week.

Word has been received from Lloyd Olds at Lake Douglas, near Pellston, 12 miles from Cheboygan, that he caught a seven and a half pound pickerel. Mr. Olds, wife and daughter, Joan, with Mr. and Mrs. Armstrong, of Lima, Ohio, are camping there.

Victor Price and family will soon move to the Mae Sweeting house which they purchased at 304 East Forest avenue.

Prof. and Mrs. F. R. Gorton and son, Eugene, returned Tuesday afternoon from a motor trip to Cleveland, where they visited Wm. Gorton.

Mrs. John Teague, of Detroit, spent the past week with her mother, Mrs. John Youngs.

Cleans
thoroughly,
it's easy

It is just as easy to use The Hoover as an ordinary vacuum cleaner. Do not be content with a mere surface cleaning by air suction alone.

With The Hoover you may have your rugs beaten free of destructive embedded grit, swept clear of stubborn litter, and vacuum cleaned to get the surface dirt.

Let us demonstrate how The Hoover differs from all other cleaners—and how it combines thorough beating, sweeping and suction cleaning in one easy operation which is guaranteed to prolong the life of your rugs.

The HOOVER
IT BEATS... as it Sweeps as it Cleans

Borrow a Hoover from Us for Trial!
Without charge, we will gladly lend you a Hoover to try on your rugs. Just call or phone and we will deliver it. Convenient terms, should you decide to buy.

Official Game Law
State of Michigan

BLUEGILLS PROTECTED DURING SPRING SEASON—
OPEN SEASON FOR RABBITS OCT. 15.

Local hunters and fishermen will find that this year a number of changes have been made in the game and fish laws. The deer season opens Nov. 10 and it will be lawful to kill these animals, until Nov. 30, inclusive. Rabbits can be killed from Oct. 15 to Dec. 31, giving the hunters an opportunity of killing "cotton tails" while hunting for fox squirrel. The open season for fox squirrel is from Oct. 15 to 31, inclusive.

The new law also will set hard on fishermen who have been used to fishing for bluegill, white bass, calico bass, rock bass and crappies during the spring months. Under the new law it is unlawful to catch or have in your possession any of these fish between April 1 and June 15. Sunfish and perch can be taken at any time.

Following are the game and fish laws which become effective August 18, 1921:

Moose, elk and caribou—Unlawful to hunt or kill at any time.

Deer (male)—Open season Nov. 10 to Nov. 30, inclusive. One male under hunter's license. One male under camp license. Unlawful to have in possession more than 30 days after close of season.

Rabbits—Open season Oct. 15 to Dec. 31, inclusive. Seven in one day, 10 at one time, 25 in season. Unlawful to use ferrets or other rodents in hunting. Unlawful to sell.

Squirrel (fox)—Open season Oct. 15 to 31, inclusive. Five in one day, 10 at one time, 15 in season.

Squirrels (black and gray)—Unlawful to hunt and kill until 1924.

Beaver—Closed until 1925.

Otter, fisher martin, mink, skunk, raccoon, muskrat—Open season Nov. 1 to March 31, inclusive. Unlawful to have in possession taken during closed season; to destroy or disturb house or hole or to set trap within six feet of house or hole of muskrat.

Coyote, wolf, lynx, wildcat, fox, weasel, owl, woodchucks, crows, certain kinds of hawks—May be killed at any time. Bounty on woodchucks and crows 25 cents. No bounty on other birds or animals. Bounty paid by township, city or village clerk. Hunters must have small game laws in possession when hunting noxious animals.

Bears and other animals not protected by laws of this state may be killed at any time.

Mongolian, English or any other pheasants, quail, black fowl, capercaillie, hazel grouse, spruce hens, prairie chickens, wild turkey, killdeer, wading, shore and meadow birds—Unlawful to hunt and kill until 1924.

Homing pigeons and mourning doves—Unlawful to hunt or kill at any time.

Partridge (ruffed grouse)—Open season Oct. 15 to Nov. 20, inclusive. Five in one day, 10 in possession, 25 in season.

Ducks and coots—Open season Sept. 16 to Dec. 31, inclusive. 25 in one day, 50 in possession at one time, 50 in one calendar week.

Woodduck—Unlawful to hunt or kill until 1924.

Wilson and jack snipe and gallinules—Open season Sept. 16 to Dec. 31, inclusive. 15 in one day, 25 in all in possession at one time, 25 in one season.

Geese and brant—Open season Sept. 16 to Dec. 31, inclusive. Six in one day, 25 in one season, six in possession at one time.

Woodcock—Open season Oct. 15 to Nov. 20, inclusive. Six in one day, 20 in possession at one time, 25 in one season.

Black breasted and golden plover and yellow legs—Open season Sept. 16 to Dec. 31, inclusive (federal law.) 15 in all in one day, 25 in all in possession at one time, 25 in all in one season.

Rails—Open season Sept. 1 to Nov. 30, inclusive. 25 in one day, except sora. Sora 50 in one day.

Trout and salmon all kinds except Mackinaw and lake trout—Open season May 1 to Sept. 1, inclusive. Seven inches in length. 25 in one day, 50 in possession at any one time.

Large and small mouth bass—Open season June 16 to March 31, inclusive. 10 inches in length. 10 in one day, 10 in possession at any one time with hook and line only.

Wall-eyed pike—Open season May 1 to Feb. 1, inclusive. 10 inches in length. 10 in one day, 10 in possession at any one time.

Grayling—Unlawful to take at any time.

Bluegills—Open season June 16

to March 31, inclusive. Six inches in length. 25 in one day, 25 in possession at any one time. Unlawful to buy or sell at any time.

White bass, calico bass, rock bass and crappies—Open season June 16 to March 31, inclusive, seven inches in length. 25 of each in one day, 25 in possession at any one time.

Sunfish—May be caught during any season of the year. Six inches in length, 25 in one day, 25 in possession at any one time.

Perch—May be caught during any season of the year. Seven inches in length, 30 in one day, 50 in possession at any one time.

Whitefish, ciscoes and carp—Open season Oct. 1 to Dec. 30, inclusive. May be taken with spear on permits only. May be taken with hook and line at any time.

Suckers, mullets, reidsides, grass pike and carp may be caught during any season of the year with hook and line.

Frogs—Open season June 1 to Oct. 31, inclusive. May be raised in private hatcheries by securing license.

Clams, mollusks and pearls—Open season July 1 to March 31, inclusive. Must secure license.

Non-resident angler's license—Non-residents over 18 years are required to procure a license to fish. Fee for license to take all kinds of fish except brook trout, \$2. Fee for license to take all kinds of fish, including brook trout, \$4.

It is unlawful to take or kill any wild water fowl from sunset until one-half hour before sunrise the following morning. This conforms with the federal law. Unlawful to shoot ducks on Wild Fowl bay after 4 p. m., central standard time.

CAPTURE AND DEATH OF OLD WHITE

Details of the capture and death of "Old White," the ferocious leader of a pack of wolves that for years caused great destruction among live stock on Bear Springs Mesa, Colo., are contained in a report received recently by the bureau of biological survey, United States department of agriculture. The capture lacked some of the more spectacular elements that marked the passing of the now famous "Custer Wolf," but in many ways it is looked upon as among the notable kills made through the skill and patience of government hunters in their work of ridding the cattle ranges of the west of predatory animals.

Early in the spring, by the clever strategy of one of the hunters, the mate of this animal and one of the leaders of the pack was captured, and it was thought that "Old White" would then fall a ready victim. But he proved more difficult, for although several good chances to get the old fellow occurred, on each trip to the government traps he would "step lucky," as the hunter described it. Finally the hunter selected a favorable spot and placed four traps in a blind set, and it was in these that the marauder was caught.

"Old White has a black history and caused losses in live stock amounting to many thousands of dollars. For 12 years he roamed the Bear Springs Mesa country. One rancher alone lost about \$6,000 worth of live stock through his depredations.

ARRAIGNER SATURDAY.

Austin Lucas was arraigned Saturday before Justice Stadtmiller on a charge of incest preferred by his daughter, Agatha Lucas Maxwell. Lucas signed a complaint against Maxwell, accusing him of swearing to a statement falsely in order to obtain a marriage license to marry Lucas' daughter, who, Lucas says, is only 15 years of age.

Maxwell's examination is set for Sept. 7 and Lucas' set for Sept. 8. Bail was fixed for Lucas at \$2,500.

ENJOY CONCERT.

Ypsilanti music lovers enjoyed the offerings of the 50-piece Studebaker band Wednesday morning of last week. The band gathered in front of the Huron Side garage, on Michigan avenue, at about 8:30 and played many selections for an appreciative crowd. A lady soloist from Chicago also sang several solos.

Mr. and Mrs. H. C. Lott have returned from Dillon, Montana, where Prof. Lott taught in the Normal summer session.

What makes possible the running of farms and businesses; the erecting of schools and churches and homes; the building of roads; the payment of wages; in short, the carrying on of human activities and life itself? It is saving, your saving, our saving, the saving of those who lived before us, that makes these things possible.

You couldn't borrow if someone hadn't saved and when you haven't saved enough for your own use you must pay others for the use of what they have saved. It's fair, isn't it?

But why not save for yourself, receive 4 per cent compound interest on your savings and accumulate enough to buy things you will want with your own money?

FIND ECONOMY IN NEW STATE POLICE SYSTEM

REORGANIZED FORCE UNDER-
TAKES NEW DUTIES WITH
PURPOSE OF MAKING
RECORD.

Col. Vandercok Will Co-operate With
Local Officers in Law En-
forcement.

A big job of reorganization has been under way in the ranks of the Michigan State Police force during the month of July. Ordinarily, when it is stated that a department is being reorganized, the impression prevails that it has been inefficient and is being shaken up for that reason, but there is a different situation in the Michigan State Police. It is being reorganized to take on a lot more work.

One of the results of the general scheme of untangling state affairs was the State Department of Public Safety. As a beginning, oil inspection and fire marshal work was handed over to the department, Col. Roy C. Vandercok, Commissioner of Public Safety, being made, by virtue of office, state oil inspector and state fire marshal. Later, it is expected other duties of a police nature will be given to the department.

That the plan of placing oil and fire inspections in the hands of the State Police is going to be a big money-saver for the state is indicated by the results since the new system came into effect. Formerly the oil inspection brought into the state about \$80,000 in fees and the department cost about \$60,000 a year to run. Since the oil inspection has been done by the Michigan State Police, about \$5,000 per month above expenses is being taken in. In other words, the indication is that the same \$80,000 per year in fees will be collected, but the inspection will only cost about \$20,000 a year, because the members of the police force do other things when they are not needed for oil inspection, and only such part of their time as they spend in oil inspection is actually charged up to that activity.

Economies Result

Another indication of the financial advantages of the present plan is found in the inspection of moving picture theatres. Under the old system the fees for such work just about balanced the cost of making inspections. The State Police force is a mobile force, and is accustomed to covering ground and getting through with its work. A trooper went out recently in a light car, made inspections of about 150 moving picture theatres, and got back to regular police work with an expense account for the inspection trip of about \$50. The fees for his work were \$1,500.00.

When complete plans have been formulated for the disposition of the forces of the Michigan State Police, there will be a ring of posts around Detroit, with detachments of men on all the main roads leading out of the big city.

In addition, there will be posts so scattered over the state that men in light cars or on motorcycles can go out for inspections or on criminal investigations. There will also be a well-equipped post in the Upper Peninsula. Following are the posts already established, and the forces placed there:

Gaylord—1 captain, 7 men, 2 motorcycles.
Frankfort—1 man, 1 motorcycle.
Alpena—2 men, horses.
South Haven—2 men, 2 motorcycles.
Rockwood—5 men, 1 motorcycle.
Farmington—2 men, 2 motorcycles.
Wayne—2 men, 2 motorcycles.
Bloomfield—2 men, horses.
Flint—1 captain, 6 men, horses.
U. Pen—1 captain, 21 men, horses.
Saginaw—4 men, horses.

District Supervisors

As a part of the new organization plans, plain-clothes officers, who will be known as district supervisors, are being added to the State Police.

Each of these officials will have a number of counties in which he will be expected to keep a general watch on conditions as they affect law and order. It is not expected that any of these supervisors will make actual arrests or do actual police work. Rather, they will be the scouts who will advise general headquarters on the need for activities of the state force.

The organization, as far as it has been effected, gives District Supervisor Chas. Campau the counties of St. Clair, Macomb, Oakland, Wayne and Monroe; District Supervisor Van Loomis the counties of Jackson, Washtenaw, Lenawee, Hillsdale, Branch and St. Joseph; District Supervisor Chas. Arnold the counties of Livingston, Genesee, Lapeer, Sanilac, Huron, Tuscola and Shiawassee; District Supervisor Green the counties of Eaton, Calhoun, Barry, Kalamazoo, Van Buren and Allegan; District Supervisor Smith the counties of Saginaw, Bay, Midland, Isabella, Clare, Gladwin and Arenac; District Supervisor Bradley the counties of Clinton, Kent, Ionia, Ottawa, Gratiot, Muskegon and Montcalm, and District Supervisor Campbell the counties of Manistee, Iosco and all the counties of the Lower Peninsula above a line drawn between the two.

LABOR RULES COST ROADS MILLIONS

BIG SUMS FOR WORK NOT DONE

Railroads Asking Labor Board to
Abrogate Wasteful Agreements
Made Under Federal Control.

"The entire country, its consumers, its farmers, its workmen, and even the railway employees themselves, are directly interested with the railroads in cutting down railway operating expenses."

This is the keynote of the case presented by the railroads to the United States Railroad Labor Board, now in session in Chicago.

The railroads have submitted evidence to the board to show why the National Agreements affecting railway shop labor should be abrogated, believing that this is a vitally important step in the process of reducing operating expenses.

This step is not only necessary to insure adequate earning power to the railroads, but will make possible an ultimate reduction in rates.

The agreements were made by the Railroad Administration just before the end of Federal control. The sum total of the rules and working conditions provided by the National Agreements have increased the operating expenses of the railroads by hundreds of millions, and have decreased the efficiency and output of the employees in other ways resulting in losses which cannot be calculated in dollars and cents.

For several weeks the railroads have been multiplying instances of the absurd and extravagant results of the labor rules fastened upon them by the National Agreements.

In one case cited before the board a machinist was paid 16½ hours' wages for work all performed within eight hours. This case illustrated the effect of the rule that for each "call" the worker is to be paid five hours' wages even if he works only ten minutes.

The case of a car repairer on the Virginian Railway, who was recently paid over \$1,000 for services which were never rendered, and in addition the same amount of overtime as was made by his gang, was another example.

In connection with the rule that none but mechanics or apprentices shall do mechanics' work, the following was cited to indicate its unfairness:

Five-Hours' Pay for 30 Minutes' Work
"The El Paso & Southwestern Railroad recently had an engine set out at Douglas, and about the time it was ready to go to its train it developed that a window light was broken in the cab. It was necessary for the foreman to call a carpenter to do the work that he could have performed himself in a few minutes. The train was delayed one hour and 30 minutes, and the employee, called to do the work was paid five hours for work requiring 30 minutes."

The inefficiency created in inflexible application of the rules contained in the agreements in question was illustrated in the following actual case which recently occurred on the Baltimore & Ohio Railroad:

"An engine was placed in the shops for certain repairs. Because of the provisions of the National Agreement, it was necessary that members of five crafts perform parts of this work; formerly, the entire operation was performed by the members of but two crafts."

\$6,500,000 for Work Not Performed
How the railroads of the country were compelled to pay almost \$6,500,000 in the first six months of 1920 for service not rendered because of the effects of but one of the 182 rules included in the Shop Crafts National Agreement was shown in the testimony.

This punitive payment for work never performed was required by a clause in the National Agreement, which provides that when employees are required to check in and out on their own time they will be paid one hour extra at the close of each week.

The rigid classifications of labor, when taken in connection with the rule that requires that a man must have four years' experience before being employed to perform any of the work listed in them, result in paying rates applicable to men who are supposed to be fully qualified for work which does not require men of four years' experience.

To illustrate how the inflexibilities of many of the rules now enforced operate to mulct the railroads of large sums for services which in the absence of these rules could be obtained for relatively moderate sums, evidence was laid before the Labor Board showing that three men who were employed at a small pumping station in Michigan, performing unskilled work, would, when classified under the rules, receive an excess of pay amounting to more than the value of all the water pumped and current generated at this station.

The Chicago testimony contains literally hundreds of instances such as these, all supporting the contention of the railroads that the labor rules under which they have been forced to work are such as to prevent the "honest, efficient and economical management" demanded by the Transportation Act.

More than a million persons attended the Pageant of Progress in Chicago, and only one case of pickpocketing was reported—and the pickpocket, thinking he was acting with a confederate, slipped a stolen purse to a "plain clothes" man. Chicagoans point out that this merely shows the effectiveness of the service Charles C. Fitzmorris, General Superintendent of Police of Chicago, is giving to the big city on the lake. Chief Fitzmorris is the youngest "big chief" in America, having just reached his 37th birthday. Chief Fitzmorris keeps in close personal touch with the members of the force, and their troubles are his troubles. The accompanying picture shows the Chief on the horse he rode at the head of the great Pageant of Progress parade.

THE DEVIL'S TOWER

THIS peculiar freak of nature which has become one of Uncle Sam's National Monuments, is located near Sundance in northeastern Wyoming. It is a gigantic rock, 600 feet high, probably 60 feet in diameter at the top and a mile around at the base. Rising sheer from the level plain, it is visible in some directions for almost a hundred miles.

Undoubtedly this tower was useful to primitive races as well as to early pioneers as a landmark. 'Tis thought that during the subsequent Indian wars members of the Sioux and Crow tribes directed their marches by the aid of fires and other signals flashed from this ever-visible tower.

As one approaches this monstrous rock, his amazement and awe increases, because it seems incredible that any force of Nature could have carved this solitary monument.

To climb to the top would seem an impossibility, yet it is said that a number of years ago a man and a woman accomplished this feat successfully.

Now that the war is behind us and Uncle Sam has more time to devote to home matters, it seems not unlikely that he may deem it advisable to send an expedition to the top of his new possession and cause a series of stairways to be constructed for the accommodation and convenience of venturesome tourists bent on getting acquainted with their own country.

BURRELL REUNION MONDAY AT DENTON

At the home of Mr and Mrs. Asa Burrell, of Denton, last Monday occurred the Burrell family reunion. There were 80 present from Detroit, Ypsilanti, Superior and Ohio. A large tent was erected on the lawn, where all enjoyed a fine "hickory dinner."

President Frank Watson was present and had charge of the reunion. A fine program was given, after which the election of officers occurred. Mr. Watson was re-elected president and Miss Edith Burrell, secretary and treasurer. The next reunion will be held in Denton at the Ladies' Aid hall in 1922.

In the afternoon a ball game was played between the members of the Smith reunion, which was being held at the same time, and the Burrell reunion, which resulted in a victory for the Burrells by a score of 12 to 6.

Thrilling Auto Race Finish At State Fair

Some of the speediest drivers in the dirt track auto race game, including Louis Disbrow, will compete in races held on the fair grounds Sept. 3, 4 and 11, during the state fair, which opens Sept. 2 and closes Sept. 11. Alex Sloan and Ralph A. Hankinson, veteran race managers, will have

the pick of talent entered for special purses offered for speed records and distance races.

In dirt track circles the Michigan State Fair mile track is recognized as one of the best in the country and drivers of the fastest cars are anxious to try out their mounts in the effort to set new marks there. They will

have their opportunity during this meet at both sprint and long distance racing. All races will be conducted under the rules and regulations of the I. M. C. A.

Games of auto polo between picked teams will feature the programs on each day of auto racing.

THE LARGEST BRICK BUILDING

THE Pension Office Building, Washington, D. C., is often referred to as the largest brick building in the world. That statement is easy to believe when one learns that 15,500,000 bricks were used in its construction. It is four stories high, exclusive of the basement, 400 feet long, 200 feet wide and contains 175 rooms.

The court contains eight columns, each eight feet in diameter at the base and 75 feet high. Each column contains more than 55,000 bricks and 1,449 square feet of plaster, all beautifully colored in representation of many historical scenes.

First occupied during the year 1885, this building was constructed as a memorial to the brave soldiers and sailors who had so well served their country during the Civil War, as well as to house the employees and records of the Pension Bureau.

The corridor accommodates 18,000 people and it is here that the presidential inaugural balls have been held.

Precious indeed are the records which are filed away in this great structure. In passing, it is interesting to note that the report of the commissioner in charge for a recent year, shows 748,147 pensioners on Uncle Sam's pay roll and the total disbursement as more than \$165,000,000.

ROLLER RINK DANCES ARE POPULAR

The new Palace roller rink on Michigan avenue opened for the first time Labor day. A dance was given in the afternoon and at night, with music by Hart's orchestra. There will be a dance at the rink each Saturday evening until the opening of the roller skating season, according to Mr. Zeck, the proprietor.

BOYS SNATCH PURSE.

Saturday evening three boys by the name of Goebel snatched the purse of Mrs. James Eaton as she was walking along Washington street on her way home on Buffalo street. The boys were recognized by some children and the police were notified. Neil, the oldest boy, was sent to the detention home in Ann Arbor, and the reform school officials were notified as he had been out of the school at Lansing only a few weeks. The two younger boys were released after they had been questioned by the police.

ELUDES POLICE—HIDES IN COAL OFFICE.

David Adams created a disturbance Saturday night and was arrested by the police. He broke away and it was not until Sunday morning that he was discovered, having taken shelter in the coal office of his employers. He was arraigned before Justice Curtiss Tuesday morning and put under \$1,000 bail to keep the peace.

MAN CAUGHT IN STEAM SHOVEL.

Jacob Fetcer, who was badly injured Saturday when he was caught in a machine at the pumping station, is now somewhat better and it is thought he will recover. Mr. Fetcer was working at the gravel pit near the pumping station and started the machine, tearing the clothing from Mr. Fetcer's body, cutting his right leg severely and bruising his body. He was taken at once to Beyer hospital, where his injuries were dressed.

When Will Men's Clothing Cost Less?

The woods are full of amateur economists who claim that prices of men's clothing, underwear, hats, hosiery, shirts, sweaters and overalls will soon return to pre-war levels.

Will They?

Yes, they sure will---

When soft coal is back to \$3.00 a ton;
When railroad fares are back to 2c a mile;
When house rent is back to \$25.00 a month;
When gasoline is back to 10c a gallon;
When telephone rates are back to \$1.50 a month;
When a square meal is back to 50c;
When gas is back to 90c;
When shaves are back to 10c;
When the freight rate from New York to Peoria is back to 40c per 100 lbs.;
When street car fares are back to a nickel;
When money is back to 5%;
When cooks are back to \$5.00 a week;
When hair cuts are back to a quarter;
When movies are back to a nickel;
When a car wash is back to a dollar;
When ice cream is back to a dime;
When a doctor's call is back to \$2.00;
When a newspaper is back to a penny;
When advertising is 25c an inch.

Why expect the retailer to go the route alone? Why expect us and no one else to go back to pre-war prices? Beg your pardon, we forgot the FARMER. He, too, is getting it hard. Why pick on us? Aren't we all in this proposition together? Haven't we got to work it out together? Well, then, haven't we, the retailers, gone much faster and much farther than the average in reducing prices and making readjustments? We'll say we have.

We're ahead, we and the farmer—way ahead of the procession. Now let the editors, and the barbers, and the movie houses, and the Standard Oil, and the soft drink parlors, and the landlords, and the hotels, and the restaurants, and the dray men, and the bankers cut THEIR prices and catch up with us.

It's time for us to pick on somebody. We've been the goat long enough.

FIRE DEPARTMENT OUT TWICE

Two alarms brought out the fire department Thursday and Friday of last week. Thursday night's alarm was from the farmers' elevator, but no fire could be found. Friday morning's alarm was also false. Men living in railroad cars along the M. C. siding on Railroad when fumigating their dwellings were smoking happened to notice the smoke pouring out the cracks and crevices and so notified the fire department without investigating.

Big Auction

Coming soon and sure in Ypsilanti. It's seldom that a piece of Ypsilanti main street business property is ever allowed to change hands. Usually the owners who are fortunate enough to own a piece of store or office property keep it. Collecting the nice big rents; of course, passing the usual customary complaint of taxes, which, of course, is only in keeping with the improvements of progressive times. Who will be the fortunate new owner of the new Martin two-story and office block, one of Ypsilanti's most desirable business blocks? No one knows until after the big auction, Sept. 17, when Warren Lewis will conduct the sale in front of the premises, 207-209 West Michigan avenue.

Terms of sale very reasonable considering such a paying investment block as the new Martin block is, and in fact has been since a few years ago when it was open for business. It has always been rented to capacity. The occupants in the building have always enjoyed a first-class business. Ypsilanti is in the big Detroit, Dearborn, Ypsilanti, Ann Arbor business zone, in the thickest and richest community of people in the world, enjoying a fine commercial business. It is also in the center of the best known educational institutions in the United States.

Please keep in mind Warren Lewis, real estate auctioneer. He will sell the new Martin block, which comprises the two prettiest store fronts in the city. The stores are deep and have the latest modern heating plants. There are offices above the stores and a large amount of ground in the rear of the stores goes with the property, all of which will be sold to the highest bidder Saturday, Sept. 17, at 1:30 p. m.—Adv.

WASHTENAW'S SHARE STATE PRIMARY FUND

Washtenaw county's share of the state primary school fund is \$130,747. This is \$10.57 for every child of school age in the county. The fund is derived mainly from taxes on corporations, in which the railroads play a most important part. The telegraph, telephone, insurance and express companies also help swell the fund, as does the addition of interest from the sale of public lands.

The library fund for Washtenaw county this year totals \$24,035.15. This is collected through fines of violators of the prohibition laws. The per capita rate is \$1.95.

The city and township apportionments of the primary school fund run as follows:

Ann Arbor city, \$45,937.50; Ann Arbor township, \$1,543.50; Augusta, \$4,410; Bridgewater, \$2,583; Dexter, \$1,764; Freedom, \$2,730; Lima, \$2,425.50; Lodi, \$2,026.50; Lyndon, \$1,596; Manchester, \$4,683; Northfield, \$2,845.50; Pittsfield, \$2,982; Salem, \$2,289; Saline, \$4,819.50; Scio, \$3,822.50; Sharon, \$2,016; Superior, \$2,604; Sylvan, \$1,596; York, \$7,549.50; Ypsilanti township, \$2,004; Ypsilanti city, \$20,968.50.

BAPTIST CHURCH NOTES.

Rev. and Mrs. C. S. Burns and son, Walter, are again in the parsonage, having returned from the north Wednesday of last week.

Union evening services were held at the Presbyterian church. Rev. C. S. Burns preached upon the subject, "Christ the Leader for the Twentieth Century."

ENTERTAINS.

Mrs. Rex Harner delightfully entertained Friday afternoon in honor of her sons, Richard and Robert, third birthday. Each had an individual cake with three small candles. Which was served with ice cream. Covers were laid for ten. The little folks had a very enjoyable time.

MOVE TO JACKSON.

Mr. and Mrs. Cass I. Carey, of 612 East Michigan avenue, who sold their house to Charles Nepodal during the summer, moved to Jackson last week. Mrs. Carey was bookkeeper to the Weidman garage and Mr. Carey did office work at the Michigan Central depot in Detroit.

WONDERS OF AMERICA

By T. T. MAXEY

©, Western Newspaper Union.

THE PYRAMIDS

A GROUP of mounds, about seventy in number, located in southwestern Illinois, not a great distance from St. Louis, comprise what is said to be the largest remaining work of the aborigines north of Old Mexico.

Whence came these Mound Builders, how long they remained and whether they went, history seems not to record. Scientists have failed to establish the definite period of time which their construction represents. That these monuments of prehistoric man directly connect us with a vanished people of whose history we know little or nothing there is, of course, no question.

It is thought by some that the so-called mounds of California, many of which are falling into decay, are as infants compared with these ancient piles of earth which stand in mute evidence of the fact that, years before modern civilization, this section was the seat of an empire of a most primitive race.

The greatest of these mounds is known, locally, as Monk's mound (legend has it that a colony of Trappist monks once lived upon it). It is more than 100 feet high, covers sixteen acres and, it is believed, must have required 3,000 men two years to build.

RECORD OFFICE STOCKS DENNISON LINE.

For the convenience of Ypsilanti merchants' The Record office has stocked the Dennison line of pin tags, tickets and labels, and in the future these articles will be found in stock. Remember, we sell writing papers in bulk or by the box, tags, envelopes, etc. When other stores don't carry what you want in this line come to The Record office, where you will either find it or we will get it for you. We also wish to call attention to merchants who use sales books to the fact that we have them in any style they may wish and carry in stock blank sales books for immediate needs.

COMMUNICATION.

Dogs have for centuries barked
at the moon, but the moon continues
to shine as brightly as ever, and
when a member of the state institu-
tion commission knocks the church
because he is unable to promote a
program such as is expected of the
politicians in charge, and blames the
church for being directly responsi-
ble for it, we are reminded of the
facts, and expect to see the church
go right on with the splendid work
she has been promoting with such
fine success since Christ put into
her hands the work of finishing his
program of building a kingdom of
heaven among men.

I refer to Garrit J. Johnson's let-
ter printed in the Sept. 1st issue of
the Ypsilanti Press, and I wish to
make one clergyman's protest and
answer to the same.

First of all I wondered if it was
worth while to take note of a re-
tired cigarmaker's opinion of the
church, after the outrageous com-
mercialism and war time propa-
ganda put across by the American
Tobacco trust and other dealers in
the dirty weed, in their own country
and the world, who under the guise
of helping the boys over there,
made more millionaires and greater
fortunes among their number than
any other luxury producing institu-
tion known, and that, too, when the
rest of us were eliminating all
luxury from our menus that we
might help furnish the necessities
for winning the war. But Governor
Groesbeck has appointed a cigar-
maker to inspect the institutions,
and Mr. Johnson knocks the church,
hence I am seek to make answer.

Secondly, I note that Mr. Johnson
refers to the church members as
"they" rather than "we," hence I
judge he is not a member of a
church and does not work with
them, nor hear her ministers, and
possibly knows but little about
them and what they are doing.

As pastor of the First Baptist
church of Coldwater, Michigan, I
visited again and again the state
public school of that city of which
he writes, have eaten meals there,
conducted funerals, visited the sick,
attended parties, made talks (a topic
I remember I used was "Live, Love
and Laugh; There'll Come a Time
When You Can't," rather than "The
Sweet By and By" as Mr. Johnson
suggests.) I have had again and
again the boys' band of that school
in my church services, and from 12
to 30 of the boys from 12 to 17
years of age used to attend the
morning services often.

I do not remember seeing the
sign, "In God We Trust," nor the
swarms of flies of which Mr. John-
son speaks. They are a modern
acquisition or I missed them in my
many visits. To my mind, consid-
ering the budget permitted the
superintendent, Mr. Montgomery, by
the politicians, the school is carried
on in splendid shape and ver-
efficiently.

"In God We Trust" is found on
every silver dollar Uncle Sam coins,
yet it does not deplete its value, nor
does it hinder the work of caring
for children in a home to have the
same words on the wall though I
did not see them there.

Uncle Sam's dollar is worth
more today than the same unit
value of currency in any other
nation of the world, simply because
the spirit which prompted the
leaders of the day when the dollar
was decided upon and the words
placed there did depend upon God
rather than upon knocking the in-
stitution which seeks to do his work
among men today.

I venture to say that were a
census of opinion taken among the
clergy of the state more would be
found favoring sterilization under
proper direction than could be
mustered among politicians. This

much-needed reform will come, not
when the clergy and the member-
ship of the churches are confined in
a cigarmaker's hell, but when
cigarmakers and church members as
citizens of Michigan forget their
selfish ends and as a community
seeks the best of all.

Most thinkers know what causes
"the distorted brainless bodies"
mentioned by Mr. Johnson, which
makes such buildings necessary, and
the church, since Moses declared
the law "Thou shalt not commit
adultery," and especially since
Christ said to one of those who had
broken the law, "Neither do I con-
demn thee; go sin no more," has
been found leading in the estab-
lishing and financing all institutions
created to care for the offspring
and derelicts created by the
breakers of this law.

If Mr. Johnson could have his
wish and blindfold all church

members and incarcerate them for a
time in the Saginaw institution
which Governor Groesbeck ap-
pointed him to investigate, and
were then to come back to the rest
of the citizens of our state to get
any measure of value across, we
wonder who success he would have.

We think he would miss from
their accustomed places many of
the hard-headed, splendidly sane
thinkers who, while they find cause
for criticism concerning the way
Lansing is handling some of our
problems today.

Do not seek to pass the buck to
the church, nor church men and
wonder what success he would have.
In spite of kickers the asylums,
orphanages, schools and the like
that furnish jobs for the politicians
of today. Let the moon keep right
on shining.

Elmer Voorheis and family, of Detroit, spent Sunday and Monday with Mr. and Mrs. E. H. Britton.

The Tuttle Hill Birthday club met with Mr. and Mrs. Claude Gotts Friday evening, with a good turnout. At the business session the editorial in Thursday's Ypsilanti Press on the D. A. R. and the constitution of the United States was read and an interesting patriotic discussion followed, many taking part. Each member is to bring some information about the constitution of our country to the next meeting. A bountiful pot luck supper was served. A program planned by Mr. and Mrs. Roy Dolby followed. A song, "Sparkling Water," by Evelyn and Marjorie Smith; recitations by Winona Austin and Kenneth Dolby; instrumental duet, Mrs. O. R. Darling and Miss Mary Boutell; solo, Miss Boutell and piano selection, Mrs. Claude Gotts. The two latter responded to encores. Guests of the club were Mr. and Mrs. Tom Shepherd, Mr. and Mrs. Leo Youngs and children and Miss Evelyn Boutell, of Ypsilanti. The October meeting will be held with Mr. and Mrs. E. W. SMITH REUNION IS HELD AT DENTON

The annual reunion of the Smith family was held at the home of Mr. and Mrs. Arthur Wall, Denton, Labor day. About 90 attended. The morning was spent visiting. At noon a delicious dinner was served at the Ladies' Aid hall, after which a business meeting was held.

Officers elected for the ensuing year were: President, C. W. Smith, Detroit; vice-president, George Alban, Ypsilanti; secretary and treasurer, Lawrence Smith, Detroit; program committee, Mrs. E. L. Strang, Superior.

A program was given after the business meeting. Readings were given by Mr. George Alban, Mrs. E. L. Strang and Rudolf Beifer, a piano duet, Mrs. Alban and Mrs. Wall, solo, Mr. Charles Savage; duet, Mrs. Earl Smith and Mrs. Wall; cornet and piano duet, Harry Smith, of Detroit, and Miss Florence Truesdell; piano solo, Miss Lewis, Ypsilanti. The ladies' quartet, (Mrs. Strang, Mrs. Jesse Smith, Mrs. Colby and Mrs. Wall, sang.

After the above program Mr. and Mrs. Rudolph Beifer, of Pittsburgh, Pa. gave a delightful entertainment. Mr. Beifer is an impersonator. Guests were present from Minneapolis, Pittsburgh, Pa.; Cleveland, Ohio; Detroit, Belleville, Wayne and Ypsilanti. The reunion next year will be held at the home of Mr. and Mrs. W. A. Smith.

YOUNGS-WOLL

Mr. and Mrs. Wm. Youngs, east of the city, announce the marriage of their daughter, Ruth, to Joseph Woll, of Chelsea, which took place Wednesday, August 31, at the home of Dr. Carl Zeidler, of Belleville. They will live in Ohio.

RUSSEL-AMERMAN.

Leslie Amerman, proprietor of the Rainbow Taxi line, and Miss Mina Russel, of Saline, were married by Rev. Carl Elliott Wednesday evening. The young couple will live in their new home at 305 North Hamilton street.

BLADES-DEMOIS.

Miss Mary Blades, of Ann Arbor, and Theodore Demois, of this city, were quietly married at the home of the Misses Charlotte and Elizabeth Morris in Ann Arbor at 8 o'clock Wednesday. The couple are taking an extensive auto tour through northern Michigan and will be at home at 516 St. Johns street after November.

STRAW HAT SEASON ENDS.

The straw hat season will end with the passing of August and it will be a shock to many a straw hat fan to realize that he must don his winter headgear—if he has one—and incidentally fall back on his woollens or emulate the well-known quadrupeds that hibernate for the winter.

John Crampton and wife, who graduated from the Normal college last spring, left for Ida, Michigan, where Mr. Crampton takes up his duties as superintendent of schools. Prof. Peet of the Normal college is reported ill of pneumonia at Frankfort, Michigan.

Miss Helen Finch and Fred Koece, of Manchester, were recent guests of Mrs. Charles Peck.

Big dancing party at the Palace roller rink Saturday evening, Sept. 10. Dancing from 8 to 11:30. Good music. Fine floor.—Adv.

GOTTS-HORN REUNION HELD AT BELLEVILLE

The Gotts-Horn reunion spent a pleasant day at the home of Mr. and Mrs. Frank Hulett at Belleville Labor day. There were 60 relatives in attendance, coming from Lansing, Marine City, Saginaw, Royal Oak, Detroit, Ypsilanti, Willis, West Sumpter and Sheldon. A chicken dinner, with all the good things that go with it, plus ice cream and cake, were served at noon.

The business meeting was held in the afternoon, electing Frank Hulett as president; Fred Gotts, of Ypsilanti, vice-president; Mrs. Tracy Gotts, secretary and treasurer for the next year.

After the meeting an exciting ball game was played, with Bert Gotts, of Saginaw, and Ed. Horn, of Royal Oak, as captains, the former side winning 17 to 12. Ed. Horn had the misfortune to get hit with the ball, which gave him a black eye.

The next reunion will be held on Labor day at the Wm. Gotts farm. Everybody returned to their many homes with the thoughts of a day well spent. The oldest member present was Mrs. Mary Gotts, of Belleville, 85 years old.

LOWDEN REUNION HELD LABOR DAY

The annual Lowden family reunion was held Labor day at the home of Mr. and Mrs. Henry Collins, which is the old Lowden homestead. A bounteous pot luck dinner was served on the lawn to about 50 relatives.

At the business meeting Mrs. Elmer Sanderson was elected president; Mrs. Delbert Wayne, vice-president; Anna Coe, secretary; Mrs. Frank White, assistant secretary, and Frank White, treasurer.

It was decided to hold the meeting next year at the home of Mr. and Mrs. Delbert Wayne in Ypsilanti. A short program of recitations and music followed the business meeting.

Mrs. M. B. Stadtmiller and three daughters, Margaret, Marion and Martha, are in Pontiac visiting the former's parents, Mr. and Mrs. Isaac Voorheis.

Mrs. A. Harnack has returned from a two weeks' visit at Traverse City, Grand Rapids and with her sister, Mrs. Katherine Sears, at Rockford.
